A MESSAGE FROM LIVING WATERS MINISTRIES

Greetings in the name of the Lord! We are excited to share the latest updates and initiatives from Living Waters Ministries in Mwanza, Tanzania. Your support and prayers have been instrumental in our mission to serve and uplift the community. Here's a glimpse into what we've been up to and how you can continue to make a

difference. Under God's grace, we are advancing towards a new era of community service and education. Today, our world is in need of the Lord more than ever, with our initiatives, we aim to touch lives that are wilting, downtrodden and hopeless.

"Jesus will give a hope and a future."

DIRECTOR CAROLYN PHILPOTT

Has continued to lead the ministry on the Lord's path and guide us through adversity.

Enhancing Education: Upgrading Our Schools

We are committed to bringing our students at pace with the changing technology. To support this goal, we are undertaking significant upgrades to our primary and secondary school facilities.

- **Modern Classrooms:** Creating more engaging and tech-enabled spaces to enhance learning experiences.
- **Library Expansion:** Offering a wider range of resources and quiet study areas for students.
- **Division of Student Affairs:** A centre for learning arts and culture.
- **Playgrounds and Sports Facilities:** Developing safe and vibrant spaces for recreation and physical development. Especially, football as our children's favourite sport.

Spiritual Enrichment: Sunday Services & Morning Devotions

At Living Waters, we believe that spiritual growth is the foundation of a thriving community. Our Sunday services are a time of joyous worship and fellowship, bringing together all our students and staff to celebrate God's love. We welcome everyone to join us for uplifting sermons, heartfelt prayers, and the sharing of the

Lord's blessings. Our school students start each day with morning devotions. This daily practice sets a positive tone for the day, fostering a spirit of reflection, gratitude, and faith. Through scripture reading and prayer, our students are encouraged to grow in their spiritual journey and develop a deeper connection with God.
