As we move forward with our mission at Living Waters Ministries, I am thrilled to share some exciting updates and initiatives with you. Our recent endeavors, from my fruitful visit to the USA to the preparations for our Tanzanian Culture Day, reflect our unwavering commitment to the children and communities we serve. We've also made significant strides in enhancing our children's home nutrition and upgrading our school's infrastructure. Your continued support is vital as we aim to become East Africa's first experiential learning center. Together, we are making a profound difference. Thank you for your generosity and prayers.

Warm regards,
Carolyn Philpott
